I will miss you my dear friend. So many great memories growing up with you. My childhood would have been a real bore without you and Betty. You never changed. We're always the same person that you were when I met you in 1970 when we were small children. You stayed my friend when so many others moved away and I didn't hear from then anymore. I will miss your phone calls so much. I'm crying while writing this. David, I am so sorry for you and your family's loss. I will be praying for yall but she is with Jesus now and she isn't suffering anymore.
