“ I went to grammar and junior high school with Sally. We reconnected on Facebook a few short years ago. We enjoyed many memories and laughs on the message side. I had been away from FB for awhile and am deeply saddened to learn of her passing. My sympathies to her family and close friends.

“ Elizabeth (Sally to me) & I met when we were about 3 at 1st Baptist Church in LaGrange. We were in 1st grade together and were the best of friends all through school. I wish we could've lived near each other all these years, but we've visited every chance we had. She has been my dear friend, always supportive and so much fun to be with! So many wonderful memories! My love and sympathy goes out to Holly, Scott, Matt, and all the family and many friends. We will be with her again!!!!

“ *Dear family of my sweet friend of over 6 and 1/2 decades. We fondly called her Sally all through school. She was a gentle spirit, always a lady. Sally had a good sense of humor and enjoyed her friends. The LHS Class of 1964 sends our condolences. Our class was a close one, and Sally will be missed by so many. However, I know she is rejoicing now in the presence of the Lord Jesus, and we shall see her in Heaven.*
