

Susie Tucker Edge

April 13, 1948 - December 10, 2025

Sarah Susanne "Susie" Tucker Edge

Sarah Susanne "Susie" Tucker Edge was born on April 13, 1948, in eastern Kentucky, the beloved only child of Leora Hall Tucker and Archie R. Tucker. She grew up surrounded by love and encouragement, later graduating from Lakeshore High School in East Point, Georgia, in 1966.

At twenty-four, Susie married the love of her life, Sam Edge. During their 53 years of marriage, the two built a beautiful life together in Newnan, where they raised their family and rooted themselves deeply in their community.

Susie dedicated 25 years to the Coweta County School System, beginning as a teaching assistant at Northside Elementary and later serving as bookkeeper at Arnco-Sargent Elementary. She was known for her kindness, reliability, and the quiet joy she brought to her work and the people around her.

Above all else, Susie lived for her family. Her heart belonged to her children and grandchildren, and nothing made her happier than cheering them on. For years, she could be found in the stands at Newnan baseball games-first watching Sammy, then Andy, and most recently Benjamin. Even during her illness, she proudly supported the 2025 State Championship run, refusing to miss the moments that meant the most to her.

Susie was preceded in death by her loving parents, Leora and Archie Tucker. She is survived by her devoted husband, Samuel Edge; her sons, Samuel Edge Jr. and Andrew (Ana) Edge; and her cherished grandchildren, Benjamin Tucker Edge and Lanie Kathryn Edge.

Susie's legacy is one of love, steadfastness, and family-an example that will continue to guide the ones she treasured most.

“ *Lots of fun memories of Susie as we watched many PONY baseball games when Sam and Jerry coached Andy and Joey, the all star games, etc. Once I was talking about being at the ball field and not having enough time to do everything and Susie said something like “don't worry about trying to do it all. Your kids are only going to be kids a little while so enjoy this time with them. You can have a spotless house when they're grown”. Best advice ever!*

“ Having Susie as a Friend means a lot. She was always so sweet, loving and a caring person. Many years ago many hours were spent at the Veals and just knowing The Edges were going to be there meant Good Times, Good Food and Great Memories were happening. Susie will be missed.
