“ *My prayers and condolences are with the entire Buth family. Scott made such an impact providing a strong foundation for a difficult maintenance tracking program, that I took his class twice! His kindness, extensive program knowledge, and servant leadership are truly worthy of emulation. Scott made an indelible mark and I'll miss seeing him in the hallways and classrooms of Tech Ops.*

“ *Our sincere condolences and sympathy to Julie, and all of Scotts family at this most difficult time. Scott and I shared in many interests together, including carpooling to work and exercising at the gym. He was truly very smart and qualified for what he did. What a true inspiration he was to me. “ My deepest sympathies to Scott's family. I met Scott when he moved to Elbow Lake. We spent many days playing baseball or football in the backyard, how we never broke a church window I'll never know. We traded many baseball cards, Twins from me, Brewers to Scott. All my best to Fred, Pat, Pam and Glen. Dan Wenstrom

“ When you look back on life, many memories start flooding in. God was the one that brought our families together over 27 years ago. It is amazing how time flies by. You and your family were always loving and welcoming to my family. These our blessings from our Heavenly Father. We got to share God love through church, retreats, softball, Bible studies and so much more. Life is a journey and it was a blessing having you (Scott is our life). Seeing your light shine for the Love of your Lord. Being our son’s God parent. You were a blessing and will be miss by all. Many God comfort your family in there time of loss and send angels to comfort them along the journey of life. Thanks for all your kindness.
