“ *I'm so sorry to hear of his passing. I just found out he was a cousin of mine from 23 and me DNA kit. Apparently his mother Sonya (Sturm) Carl, is my direct maternal grandfather's (Harvey Sturm) Sister. He looks so much like my grandfather that passed away. In the memories shared here it looks like he touched so many lives. I would have loved to have met him.*

“ *To Renea and the Carl Family, I am very saddened by your loss. I had the privilege of talking to Scott last year for the first time in a long while, and it was great to hear his voice and I hoped that I could meet up with him and Renea again. I remembered Scott a lot throughout my career and thought back to who he was. Absolutely a guardian of his family. This is not a cliché, but Scott was one of the best leaders I served under during 20 years in the Army, especially since it was early in my career and then he ushered me into becoming a leader. I doubt anything was different after he retired from the Army. He was like Gumby, always adaptable and flexible in every situation; unfazed. He simply took care of others. I always felt confident when he was there and you couldn't help but enjoy being around him because of the ease of his personality and humor. I never forgot that, and I definitely tried to emulate his leadership and people skills. I don't know if I can be of much good in easing pain, but I keep thinking, as we serve a God of grace, I am confident; holding onto the hope that He will never let His children go as He tells us in Romans 8:38-39.*

“ *Although I hadn't spoken to Scott or his family in many years I was shocked and totally saddened when I learned he passed away. I had so many happy memories of he and I when we served in the Navy while stationed at Sugar Grove WV. I would go into medical where he worked and we would talk and goof around. He really pushed me into physical fitness and he got me into running long distances. Scott was also the prime example of the family man. He loved and adored Renae, Amanda and eventually Roni came along while we were in WV. That love and adoration got stronger and stronger through life as evident in the many many posts I saw from Scott on Facebook. Offering my condolences to Renae and the girls only scratches the surface of how sorry I truly am. Scott will always protect and watch over you. It's who he is and always been. Stay strong and remember how great of a man Scott is. My heart goes out to you Renae, Amanda, Roni and the rest of his family.*
