“ I was so sorry to hear of Scott's aka "Spanky" passing. He was a wonderful co-worker and friend. Always ready to lend a helping hand, and always had a smile on his face. He will be missed by all who knew him. My thoughts and prayers are with the family.

“ Scott was always dependable at work and everyone could count on him to get any task completed. Scott was, (as some have already stated here); selfless, caring and a true friend to all. I never called Scott "Spanky," I always called him "Ole Buddy" and that always made him smile. Three things about Scott stick out to me. He truly loved his daughter. He loved his inter-circle of friends. He loved his old truck. Continued prayers and blessings for Scott's daughter, his family and his close friends at this time.

“ Saddened by the loss of Scott "Spanky" Nix. Many years ago I had the pleasure of having Scott making a trip with us down to Spring Training to see the Braves in Ft. Lauderdale. He was our designated driver. On the way back on the flight he had the pleasure of sitting with Ms America. I can still see the delight in his eyes telling us all about it. Of course, it made us jealous. Always a smile and a good word. He will be missed in the Halls of Delta.

“ When visiting him in the hospital, we ended up talking about our churches and men's group meetings, and church outings to restaurants. We both decided that we would visit each other's and try out the restaurants together. Doing that we'd cover them all (LOL), was a plan (that thought) I really will cherish. He'll be missed as someone I felt comfortable talking with and as someone who worked hard and dedicated at his job. He always spoke highly of his family, his daughter especially.

“ *I've known Scott for several years. We worked together for a few years on the 2nd floor in D.G. with Delta. We also spent several years working out at AMS when Delta was a sponsor for Nascar at the track. He was a very happy go lucky kind of guy, and a great person to be around. Most of all, he was a very dedicated Father. I'll definitely miss seeing him around work. R.I.P., my friend.*

“ *I was the new kid to Riverdale high school and Scott was the first person to speak to me and show me around the school and town and introduced me to some great people. He was a second son to my parents and a brother I never had. He was my best man when I got married and to this day is still my best friend. The world has lost a great person but God has just received another great Angel. RIP my brother*

“ Scott took me under his wing when I first got hired into Delta and took care of me. I learned so much from him, and almost 20 years later I still consider him one of the best mentors I've ever had in my career. He was a such a good man, and we will terribly miss him. My thoughts and prayers go out to his family.
