“ Chris, I did not know your Dad but I do know that he raised a wonderful son and that says a lot for a man. I know that you will miss him ever day but try to live your life in a way that would make him proud of you, he would not want you to feel sad but rather to remember the good times that you spent with him.
My thoughts and prayers are with you,

“ Kelly I was shocked to hear about your dad. I know how much you loved him and I know it is so hard for you and your family to let go. Just hold on to the precious memories and time will help heal the pain that you are going through right now. We just lost Bob's dad Monday and it is hard. Know that I am thinking about you and Hunter. He is strong like your dad and he will help you through this just lean on each other. I will keep you and your family in my prayers.
