“Dear Terry and Lori, I am so sorry to hear about Shane. I met Shane when he came to Complete Dental Arts, and I want you to know I was so impressed with him. In talking with him about his choices for treatment plans and costs, I could immediately tell he loved you both very much. I know he was a special part of your lives, but I hope you both realize just how special a part you each had in his. He was just as fortunate to have you for his parents as I am sure you both feel to have had him as your son. I and the others from Complete Dental Arts will miss his smile. Your family will remain in my thoughts. -Ronda

“ Dear Terry, Lori, and all of Shane's Family, I am so very sorry for the huge loss your family has experienced. Shane was such a sweet, genuine, and talented young man. It was such a privilege for me to have met him and to have had him share his music with me. His passion for the music that he had such a gift for making made me proud to own the CD he gave me. I have enjoyed listening to it and sharing it with my friends, and I will think of him everytime I hear it from now on. Terry and Lori, your sweet son touched my life and I am grateful for him. During this time of sadness, please know that so many are so very proud of him. Take care of each other and please come see me or call me if you find yourself in need of a friend. Love, Lisa (From Complete Dental Arts)

“ Lori, Terry and family: I watched your family grow up and loved each and every one of you. I am so sorry that Shane was taken from you at such a young age. We never know why.. but we always have faith that there is a reason that we will never know until we are reunited with our loved ones in the end. We wish we could be with you tomorrow, but if you need anything in the future know that we will be there for you. Love, Dorothy, Gary and Kelly..
