“ *Shannon was my cousin and my next door neighbor for a few years when the kids were little. If she likes you you will know it. If she don't you know not to speak to her!*

“ *My precious niece! I can't believe you left us so soon, but I know you're happy with your dad, and Mom, and Paw Paw And Maw Maw Calhoun, you missed them so much as we all do. No more pain in that body just perfect peace, enjoy heaven until we all meet again, the family chain is reuniting one by one. You just beat us to it. I love you Shannon, I just wish I could been there holding your hand but I know you wasn't along, I imagine Paw Paw, Maw Maw , your Dad and Mom was there to get you along with God. You accepted Christ in your younger days and no you was not perfect but none of us are so with that God will see his blood above your door and he didn't pass over you. Until we meet again have a wonderful time.*

“ I hate to hear of Shannons passing she was a real trooper, not afraid to ever tell u just what she thought. One thing for sure she loved her children and grandbabies, I am at the same time glad her suffering is over. Rest in peace My Friend.
