“ *Sharon, you will be so missed. I appreciate you being such a good friend to Lanie. She really treasured your friendship. I truly enjoyed your visits to our home. I told Lanie that I still remember Michael bouncing so high in his bouncy chair that he scared me. He was such a precious little thing. I'm sorry I haven't met the rest of your family. I know that they are very sad right now, but I pray they find comfort in remembering the blessings you brought them. With much love until we meet again.*
