“ *Jerry and Marcus, I'm so sorry to hear about Shari's passing. Others have described her better than I can. I was proud to have her as a friend. She was so sweet and boy, could she cut my hair. I'm sorry we didn't see one another much after we moved off Hall Circle. Believe me, Jerry, I know what you are going through. Try to not let sorrow cloud your memories of good times. Take care.*

“ *Shari was always sweet to me... sometimes it would take her a second to recognize me but when she did big hugs and all heart came after. She was always so sweet to me.*

“ I met Sherry thru her sister Susan. She soon became the our family's hairstylist. Sadly it's been at least 25 years since I saw her warm, welcoming & smiling face. Yes, she was our Sylist but she became more my Friend. She permed and cut my hair for years. She cut and bleached my children's hair. If she had a good week with her health, we all went to Newnan football games on Friday nights and Newnan band trips on Saturday's. She loved everyone she came in contact with and never met a stranger. Ken and I are deeply sorry for your loss Jerry, Marcus, Susan & extend family. I hope you can find comfort going forward. Love to all.

“ Shari Moore was one of the most beautiful souls I’ve ever known. Marcus and I were good friends at NHS, and I spent a lot of Friday and Saturday nights at their house. Jerry and Shari treated me like family, and we’d talk for hours. I loved her laugh, and she was always kind and giving. I remember her talking about how thick my hair was when she cut it (“Gosh, Shane, I could mop the floor with your tick head of hair!”); I wish I still had that hair!

Mr. Jerry, Marcus, Mrs. Susan, and family, I am so sorry for your loss. I know it hurts, and she will be missed by many. I pray for comfort and peace for all of the family and friends as we grieve.

“ *Shari was very sweet and kind to me when we first met. It wasn't long before I figured out that she loved to watch birds and make and paint bird houses. I will certainly miss this lovely soul.*
