“ I am so sorry to read about Sharon's passing. I knew her from Elementary School age as she and my sister were in the same class and she would come to our house for sleepovers. After all these years, my sister and I reconnected with her via Facebook. She had a great sense of humor and we loved to tag each other with funny quotes and scenarios that reminded us of our childhood. She will be missed by many! You and your family are in my thoughts and prayers.

“ Sharon was a childhood friend from Newnan High School. We reconnected via FB and I have had the pleasure of getting to know her again thru that website. I spent much time at her house during our teen years and think fondly of those memories. Please accept my sincere condolences on your family's devastating loss.

“ I'm so sorry for your loss. Sharon and I attended school together beginning in elementary school. She was a great friend. Even though we lost touch after high school, we reconnected with memories of stories my dad would tell her and I. She knew the teasing my sister and I would do to each other, reminding us again of youthful fun. She will certainly be missed.
