“ I am so sorry to hear about Shelby Jo. She and I graduated together, and I always thought that she was one of the kindest and sweetest ladies I had ever met. We didn't keep in touch after graduation, but we had mutual friends who kept me informed of her medical issues. My thoughts and prayers go out to all of her family. You can be assured that she is at peace now with no more suffering. May God comfort you and wrap His loving arms around you as only He can.

My love to all of the family.

“ I just don't know how to begin to say just how precious Shelby Jo was to me! First off she was my cousin my first cousin! Our mothers we're sisters and all my life I looked up to her and had so much respect for her. She was always so beautiful inside and out and I love her so much. She will live forever in my heart but now I know she's with Jesus and and one day we will all be in heaven together. My prayers are with her children and her sister and family. I love you all.

“ We are so very sorry to hear of your great loss. Shelby Jo was a wonderful Christian lady and a dear friend for many many years . Even though we had lost touch over the years, she would call from time to time. Your family has always been very dear to us and we offer our deepest sympathy. Your great loss here is Heavens gain. That is your comfort I'm sure.

There are no words that can express how much I loved Shelby and her sweet and loving thoughts of others even when she was so sick she was always concerned about others and wanted to do something to help. She sent checks a couple of times to me to use to help my son; I have great memories when we have been together and just laugh. She was the most giving, caring and loving friend you could ever want in a friend. She will be missed but never forgotten and I'm happy that she is with Jesus now and not suffering anymore and she was looking forward to being with Sherwin again. My thoughts and prayers are with all the family that she was so proud of and loved so much. May God be with you in your loss and give you strength and His comfort as only He can do. Love all of you, Syble

My dear sweet cousin meant the world to me. Whenever we were able to be together, we talked constantly, laughed a lot, and prayed for our families a lot. We shared a lot of wonderful memories when together and laugh till tears ran down our cheeks. Loved to hear her laugh. Shelby was a wonderful Christian example to all who knew her. She was my guiding light and I tried to follow in her footsteps and still do. She so loved the Lord and I know Hewas waiting with open arms to welcome her home. We talked about that often. She did not want to leave her children, grandchildren and great grandchildren. She stated she hoped God would let her live to see her last great grandchild born. Then she would tell me I am ready when He is ready for me and I am so tired. God granted that wish for her and then told her to come home and rest.

I know for a while she is going to bask in God's glory and then she is going to have a large family reunion.

Shelby, I will miss you forever, but so thankful you are in God's rest now.

I love you and know you are enjoying you new mansion.
