“ *I can't believe that you are gone. I'm gonna miss our talks. You were just like my grandma, someone that I could come to when I needed to talk that's what I loved about you the most. I know that you are up in heaven with my grandma (Irene Spradlin), and my step grandma (Joyce Arrington) and y'all are talking and laughing just lik the good ole days.*

“ My heart is broken, I'm so speechless! She was a trooper and never stopped loving the man she adored. Never saw her with another and made sure people knew. I loved her very much and she watched me go through so much and I know she went through her share. She definitely doesn't have to worry anymore. I hope God knows the Angel he's aquired. The finest and most respected LADY I have and will ever know. ❤️ RIP Shirley, we are gonna miss you!!
