What stands out most about my grandmother is when I was 15 or 16 at the time, we were watching my step mother is a werewolf and she was laughing so hard because the men kept showing her legs and the hair would grow back fast. She was laughing so hard that she cried. I've never seen her do that before. So I started laughing so hard that I cried. As I'm asking what is so funny. She says, It just keeps growing back. I don't care that it wasn't really funny to me. It was a great moment and I will never forget you grandma. She has really made today. A soul I will never forget. I love you Shirley Ann Macdonald Blackburn!
