“ Glenn, Jeff, and Karen,
I was saddened to learn of your Mom's passing. I just learned tonight when I saw that my Christmas card was being returned and I hadn't gotten a card from her for a couple of years.
Your mother was a wonderful woman that loved her Tommy and her children above all else.
I got to know her fairly well since your Dad was the best friend that I had after college. No one else was even close. Your Mom hosted a baby shower for my wife Linda(died 03/18/2021 of ovarian cancer).
Your Mom was our first contact when we had questions about parenting. I can't say enough great things about either of your parents. I hope you are all doing well and your families are all doing well. I just turned 81 and in a few days Terri will be 55, Stacy is 54, and Casey is 48. I have only great memories of the Davis family in Kettering. Smile whenever you think of your Mom and Dad, they were great people.

“ So many wonderful memories of Shirley and her very beautiful smile. She dearly loved to talk about her grand children and I knew Colleen best of any of them from school and church. You could see the love they had for each other.any time they were together. With Loving Memories, Jean Patterson.
