“ I worked with Shirley at the beginning of my nursing career (1977) on 1B and she was also the overhouse supervisor (at Newnan Hospital). She was the original multitasker! I have many fond memories of her and felt her influence throughout my career. She even arranged a surprise wedding shower for me in the ER (I think of her every time I use items that I received as gifts). I am so proud to have worked with her and send the family my deepest sympathies.

“ Bobby and Terri,
Words cannot describe how sad I was when I heard of Aunt Shirley's passing. There are so many wonderful memories as children and adults that we have all shared and will treasure! Most of all the love that she had for Moma and Daddy and all of us was unending. I can still hear her sweet voice when she called on the phone when I was visiting Moma and Daddy in Newnan. And how selfless she was on the nights that she spent in the hospital with Moma a few years ago so that Daddy and I could go home and get some rest. I am very sorry for the struggles that she had during her last months and I know that she is smiling down from heaven holding Uncle Bobby, Chris and her sister Sara. I wish I could be there with you all on Thursday to celebrate her life. Please know that you are all in my thoughts and prayers. Love you both very much!
