“ Dear Jodi, I only briefly met your mother but I knew right away that she was special because it would take a very special mom to raise such a sweet and caring daughter. As a mom, I know she is incredibly proud of the exceptional person you have become.

“ Dear Jodi, Hi, Sweetie. Miss Heather just told me about your mom. It breaks my heart to hear that, but we all know that God has plans for us that we don't always understand. Your mom will always be with you, will always love you, and I know she'd say that the one thing she was proudest of in her life, the one thing she did best, was you, her beautiful, smart, strong, wonderful daughter. Mr. Perry and I will pray for you always. All my love, Dr. Falk
