“ I love you so so much my sweet friend. I am holding you in my heart every second. And your family and Gabriela. Spencer in the last three years would sit on our patio just sharing his life with me. That precious man you raised impacted so many lives. He would sit upstairs with John Matthew who has felt so alone most of his life, and just was with him. John Matthew felt included and special when Spencer was here. I can't thank him now but in heaven I will let him know. He gave life to my child! It's amazing the ripple effect of the parents who raised Godly children. I'm so grateful to you and Bryan for helping my children! I know you didn't know this but Spencer ignited a fire in my son to fulfill his potential. Jm just checked into a 90 day addiction center to heal! God spoke through your son! What a gift he was to this world

“ It was an absolute joy getting to know Spencer in my short time at Landmark. We shared a love of cars and Motorsport together. I am sad to hear what happened and I send my condolences to his wife and the Geerlings family.

“ It was a pleasure to have been in Spencer’s life as his very first teacher when he was 2 years old. Such a sweet boy with a wonderful family that I have talked about many times over the years. My husband had the pleasure to work with Spencer at Phoenix Air and get to know him as an adult — the same sweet demeanor he had as a child. It was a privilege to know know you, Spencer. Heaven gained an Angel on May 10. May you rest in peace.

I didn’t know your son, husband, brother, grandson, but he seemed so accomplished in his his short life here on earth. As a mother who lost a child way too early, please except my heart felt condolences. May you find comfort and peace during this tragic and difficult time.

My family met Spencer when he was 3 months old. Our son Joshua was 9 months old at the time. Over the next few years it was such fun to watch Spencer and Joshua’s friendship. Despite serious health challenges, Spencer was the sweetest, happiest little boy! He was always smart as a whip too!
I’m so thankful for the hope and peace that trusting in Jesus brings- someday there will be no more of this awful pain and loss. We will be in His presence together! At the same time, my family is heartbroken for the entire Geerlings family - there are no words for such unimaginable tragedy. We are lifting you up in prayer and we send our love!!
