“ I am very sorry to hear that Stan has passed. I will always remember our church was having a fundraiser yard sale for Stan & Dee. It started raining very hard that day, I think it started thundering & lightning The smart thing to do is try to cover everything and go in. But NOOO we didn't go in, we had to hold the tent down. We couldn't let things get wet. I bet we stayed out there 15-30 minutes. I just remembered we were laughing had so much fun. We are praying for Dee, Justin, Cody, & Lauren & the rest of the family for peace & comfort!  
April Ford and family

I am so sad to hear of Stan's death. I know that you hear a lot of this at times like this, but your family means the world to me. I wish I could say something to help in a time like this. But the only thing that will comfort you at this time is to say is that he is no longer in pain, & that you will see him again one day soon! I am praying for your comfort & love of your family to give each other strength.  
I love you all
