“ She was an awesome teacher and coach! She was well respected by her students. She always taught to not fear failure as not to try is the worst crime. She was fully supported in her students success. She never gave up no matter how hard life got and she displayed the same thing to her peers. She taught me history and coached me in basketball. I treasure every moment I had with her and will miss visiting her dearly.

“ My condolences to the family. I graduated from Riverdale 1986. I remember Stephanie playing basketball. I know we didn't know each other, but when I was diagnosed with lung cancer, I remember Stephanie playing basketball and the fight she fought. She is my inspiration. Paul and Stephanie are my inspirations. Thoughts and prayers are with you, Paul and your family.

“ Our thoughts and prayers go out to Stephanie and her family. Ali, Jordan, and I have wonderful memories of times together at horse shows and "the barn" with her and Lexi. Later, Payton was fortunate enough to have her as her teacher at Trinity. Stephanie always had a smile and a kind word to offer. She will be greatly missed.
