“ *He was truly an inspiration and amazing man to have in my life. He was the greatest "Pop" there has ever been. I was so happy to be the light in his life. I enjoyed the good times we had from me being a little kid in my playroom watching Disney with him and playing dolls to the bad times where just holding his hand meant so much. I'm so happy he is no longer in pain and is up in heaven having the time of his life. I love you to the moon and back Pop. Love always, Haley-bug*

“ I met this man in 1968 or 1969, he he was my b-team, junior varsity coach, I probably learned more about baseball from him than any coach I ever played for, after that he was our varsity coach. He was not just a coach but a role model. I still talk about plays he taught me for baseball, never forget one day I believe he had a Buick, he threw me the keys and his credit card, he said do you mind going and fill my car up. What a big deal, my dad wouldn't let me drive his car. Somebody trusted a sixteen year old to drive his car. He treated like a man, always had great respect for Coach Norris. Arthur Justus

“ I met Steve many years ago when he was dating my wonderful cousin, Sandra Robison.
Steve was always polite, courteous and a pleasure to be around the times I had the pleasure to be with him. I know he is at rest after fighting through so many challenges but with him being a great athlete, he had an insight as how to persevere and I wish him God's peace at this time. Sandra, I love you dearly as my super memory cousin and will see you soon.
