“ Jennifer and Raven, I am so sorry to hear about Stephen. I know no matter what anyone says it doesnt really help, so ill simply share what helped me most when Daddy died. Try to hold onto memories, pictures and the love he had for you both. Know that he is whole now, healthy and at peace. If there is anything either of you need, please let me know. I love you both!

“ *I had the privilege of working with Stephen for several years. He was a hard working fellow who made things happen and he was loyal and trustworthy. I enjoyed several camping/fishing trips with him also. Away from work he was a joy to be around. The world is a lesser place now that Steve is gone. God bless all his family.*
