“ All I can say if you will be forever in my heart Steve. You are my big buddy in high school and a wonderful surprise today you showed up at my house and I didn't even know you were. You were a friend of my sister Beth we watch football games together with my grandfather and you ain't many meals in our house because of your mother's work schedule. I'll never forget the time that you and Thomas took me to Atlanta to see Head East perform and a local bar. It was my junior senior night and I did not have a date and was not going I think somehow you both must've known this. You made it a wonderful memory and we didn't even get in trouble lol I've lost touch with you over the years and talk to you several years ago on my phone, but I want you to know our memories and my love for you has never tried too far from my heart rest in peace, my dear friend
