

Stephen "Steve" Ray Boyd

June 4, 1970 - January 14, 2024

Stephen Ray Boyd (1970-2024)

Stephen "Steve" Ray Boyd, 53, of Newnan, GA passed away on Sunday, January 14, 2024, after a difficult fight with gastric cancer lasting over a year. He is finally at rest.

He was born in Atlanta, GA on June 4, 1970, to Nelda and Truman Boyd. He was raised in Fayetteville, GA, and was a 1988 graduate of Fayette County High School.

Steve and his wife, Michelle, were married for 22 years. They enjoyed working together in their businesses, traveling, and spending time with friends. As a longtime member of Bear Creek Hounds, Steve and Michelle attended many fox hunting and fellowship events with members. Steve was also a member of the Meriwether County Cattlemen's Association.

As a small business owner providing outdoor services and land management, Steve was committed to growing his business and working with his team. One of his favorite sayings was, "Keep Moving." Over the years, his friends provided great encouragement and business advice to him. During slow and tough times, his "Keep Moving" attitude kept him innovating and finding new ways to expand his business.

With an appreciation for nature, Steve planted beautiful roses in his yard, had a delicious crop of tomatoes each year, and sought great pleasure watching the birds at his bird feeders. He loved the beach, saltwater fishing, and spending time with his two dogs and many cows over the years.

Steve joined his father, Truman Boyd, in heaven. He leaves his wife, Michelle Boyd; brother, Michael Boyd; mother, Nelda Boyd; nephew, Blake Boyd; mother-in-law, Vicki Turner; father-in-law, Tommy Turner; sister-in-law, Christy Palmer; brother-in-law, Curtis Palmer; and many other family and close friends to cherish his memory.

A graveside service will be held on Saturday, January 20, 2024, at 11:00 am at Oak Hill Cemetery in Newnan, GA. Please join us afterward for a Celebration of Life service at the Historic Train Depot, 60 East Broad Street, in Newnan, GA. This service will include visiting with family and friends while enjoying light refreshments at 12:00 pm with a program to follow.

“ A guy who always had a smile on his face, though often wry. Expected a firm handshake, hated when he got anything else. Always ready and willing to offer business advice to ANYONE...and wouldn't hesitate to say if he thought a deal was stupid. Claimed to not be that smart and to just outwork others, yet saw plenty of things nobody else did and capitalized on them. Talked a Helluva good political game and showed a depth that few others possess. Loved his wife, their house, their friends and whatever incarnation or number of dogs happened to be wondering around wherever he was. What a great guy, we could all use more Steve Boyds in our lives. I will miss my buddy! Michelle, we are heartbroken and feel your pain, our apologies for not being able to trek up there for the service but I'm knee-deep in a prior commitment he would have told me was stupid! All of our love to you from Florida.

“ Michelle, I'm so sorry for your loss, and to the rest of y'all's family. You and Steve gave me joy and love during my childhood years. I still remember him teaching me how to drive a golf cart and letting me drive for hours in the driveway. I'll always remember him and all the memories. Sending you my love and prayers. 💕

“ Debbie and I were so sad to hear the news about Steve. He was such a great neighbor to have- checking to make sure “his guys” weren't making too much noise as they set out on daily runs, always available to help with tasks that were too much for me or my little tractor, and helpful in so many ways to this city kid who landed on a farm.

We pray for your peace and for peace to all who knew and loved him.

“Michelle, I'm so sorry for your loss, also a huge loss for all of us who knew him. I'm still in shock over this terrible news. Steve was my best friend and someone who I could always talk to about anything. He never judged me and always gave great advice. The words in his obituary are so true. He never gave up on anything and always thought outside of the box to create new business ideas. I was so proud of him and his accomplishments not only as a small business owner, but for the great man and friend he was. His smile and laughter always made my day. It was always good to talk to him on the phone while driving home from work as my work day in Finland was ending and his just beginning. I will surely miss that. Everyone loved Steve and his personality. I always looked forward to coming home to see you guys and felt so much joy walking down the walkway in the yard seeing him waiting by the grill with a cooler full of beer and that big smile on his face saying "Kemper". I miss him so much already. Sincere condolences to you, you're family, and all of his friends. I'm here if you need anything.

Sincerely,
Paul Kemp
