“ I'm so sorry to hear of your loss. I'm certain that Sue has moved on to a much better place to be with her savior. I have worked with Mark since 2003. Even though I never met her, I feel like I knew Sue as Mark and I often spoken of our mothers and the trials they were going through at this stage of life. I hope the knowledge that she is no longer dealing with the pain of her illness is of great comfort to you all. You are in my thoughts and prayers.
