“ Susan was very special to me. We worked together at Kohl's when it first opened. Her sweet spirit and beautiful smile always made my day. She wrote me a very special note that I carry with me still. My prayers are now for the family as you deal with the loss of your precious family member. She touched many lives...God now has a loving angel by his side.

“ Susan was one of the kindest people you would ever meet. Our dads worked together at OI for many years and us kids all went to school together. She always had a kind word and a great attitude. She will be missed.

“ Although we never even knew her last name until now; we have seen Susan for years at Wal*Mart and Kohl's.

She always had a smile on her face and always seemed to be in a good mood. She was very professional yet personable.

We are sure that she will be greatly missed by her family and friends.

May GOD grant each of you comfort, strength and sweet peace today and in the days and nights to come.
