“ Sad to hear of Susan's passing... I would have gone to the funeral home if I had known. I worked with her and remember her dedication. We sometimes talked by phone. Glad we have hope that God will somehow wipe away every tear. Condolences to family and friends.

“ We are so saddened to hear of Susan's passing. She had suffered with various maladies for an extended period during the time we knew her at Faith Creek UMC. We will miss her "vibrant" nature very much but know that she is with the Lord now and suffers no more! Our prayers go out to Don and the rest of his and Susan's family during this trying time.

“ Mrs. Nadine Gaddy introduced Susan to my brother. We are very grateful. She began taking care of my brother and eventually cared for us all. She was strong-willed and decisive. If we were waffling on where to eat, she would make the decision for us. We appreciated that. Susan will be greatly missed!
