Susan was a wonderful friend to our Mom when she broke her leg and needed therapy.. Susan could get Mom to do things we kids couldn't. There was never a visit that Susan wasn't patient and encouraging...not only to Mom but to us as a family. Hugs and laughter were always plentiful. May God shower down His blessings of comfort and peace.

“ I knew Ms Susan for a very short time, via my friendship with her husband, Chris. Unfortunately, I did not know her well, but I know she was dearly loved and a wonderful lady. I pray for her comfort and Peace, as well as for her many friends and loved ones. Rest in Peace.

“ Susan was my mother's physical therapist years ago, and we all fell in love with her. She was caring and FUN, and that was quite a gift! She would dance Mama through the house, dipping and swooping, without Mama realizing she was getting some really good therapy! Such a blessing to so many!

“ I have never met a person like Susan. She was my mother in laws home nurse. The most giving, kindest & dedicated person. If I mentioned needing anything she was going to make it happen. She happened to be with us one night when my daughter had a medical emergency. I had my granddaughter & new born grandson staying with us. When the ambulance got there Susan immediately grabbed up my granddaughter & took her out to the fire truck to show her to help me & keep her occupied so she wouldn't be scared. We have always heard people can be replaced but Susan isn't one of those people. She was one of a kind. Praying for Chris & the Family.

“ *Mrs. Susan was always so caring, loving and of course, cracking a joke, when we spoke. I will miss her dearly and know she is looking down on us and dancing with Jesus. May her Light Shine upon us all and give Peace to all of us for a hole in our hearts will remain for Mrs Susan.*
