“ My dear friend Susan, We were so close during high school. When we graduated I went one way and you went the other. Sadly that happens to many best friends. Our paths were different. You shortly married and started a family. We did see each other a few times a year for a couple of years. I'm so sorry we didn't remain close. I loved you and your family so much. You were so funny and truthful to me. We had so much fun together at each other's house. We were always loyal friends. I will miss you. At last you can rest in peace. No more pain or sorrow. You have reached the ultimate. I love you sweet friend. Marcia
