“ I have many fond memories of hearing stories about "Susie P" from Kevin. I know you all loved her dearly, and because of that, this is a very hard time for you all. Take comfort in the knowledge that she knew of your love because of your time spent and attention given on her behalf. I truly believe that a spirit of great love can transcend all physical challenges, setbacks, and limitations of the human body, and that this love has a way of sustaining someone long enough for them to find satisfaction in knowing the ones they love so much will be left behind by them in good hands. I feel that Mrs. Susie P. knew this was the case with her family at this point, and she has left you all behind for a time here secure in this knowledge. Take care of each other, and know that there are many brighter days ahead for you all - with memories of her always close to your hearts, of course.

“ Mike, Melanie and family: Thank you for allowing Savannah Court to care for your mother. "Miss Susie" was blessed to have a caring son like you Mike. I have met many family members over my 40 years of working with the elderly and very few sons compare to the love and attention you gave your mother. We will miss her but we know she is in a better place. Please know that you are in our prayers.....Brenda Mitchell, Executive Director Savannah Court of Newnan
