“ Dearest Joe, Dawn, Jade and Jane, I was stunned to read of Susie's death last week. She and I went to Western High School together and then were sure to see each other at least once a year at Ma Stone's birthday reunion when Jade and Dawn were small. She always was smiling and laughing and it puts a smile on my face just remembering her. I pray that your tears and grief will soon turn to smiles and laughter as you share the memories you made with her throughout the years. May God enfold you in His comforting arms. Love, Jennie Stone-Gillihan

“ Joe, I'm so sorry to hear about the loss of Susie. Even though we were distantly related, I hadn't seen her in many years. But I have many fond memories of riding the school bus with her when we were children attending Western School. She always had a smile on her face, and I know you'll miss her terribly. But please know that you and your family will be in my thoughts and prayers. Take care, Linda Ware Tipton

“ Joe and Family, I am totally shocked at Susie's passing. She was the epitome of helps and kindness. As the other driver's ed tutor here at ECHS, I constantly sought her good advice and expertise. Absolutely no doubt- that she has left a huge gap and will be surely missed by all whom she touched. God's love and comfort to all.

“ Joe and family: I was so shocked and saddened to hear about Susie's death. She was such a sweet person to me when we worked at PAPP Clinic many years ago. She was already on staff there when I went to work at the clinic. She was always so willing to help me get started and feel comfortable at my job. I know she will be greatly missed and I will be praying that our God of all comfort will stay close to you and your family during the difficult days ahead.. God Bless, June
