

Suzannah Catherine Piercy

December 26, 1995 - January 4, 2015

Our beloved daughter Suzannah Catherine Piercy, 19, of Newnan and Lexington, KY passed away Sunday, January 4, 2015. She was born December 26, 1995 in Decatur, GA to John & Stephanie Merget Piercy. Suzannah was a 2014 graduate of Northgate High School and was a freshman at the University of Kentucky. She had an adventurous, artistic spirit but her quiet nature led her to a love of animals. She volunteered at C.O.R.R.A.L. in Newnan and fostered her love of horses and large animals all while helping others.

The celebration of life service is Friday, January 9, 2015 at 4 o'clock at the family home on Cypress Trail in Newnan. Rather than flowers, the family respectfully requests contributions in her memory to Coweta Organization for Riding, Rehabilitation and Learning (C.O.R.R.A.L.), 52 Oliver Potts Rd, Newnan, GA 30263.

Condolences can be expressed online at www.mckoon.com

Suzannah is survived by her parents, John & Stephanie Piercy; sister, Jessica Piercy; grandparents, Mike & Barbara Merget, Susan Piercy; beloved cousins; aunts and uncles.

“ *My heart goes out to you as you grieve for your beloved Susannah. I will always think of her as a precious 8-year-old in my third grade class ... the last class I taught before retirement. Susannah had such a sweet, loving heart along with a brilliant mind. She reached out to other children and helped them in many ways. I am sure she is twinkling now in heaven with our Lord. I pray that God will grant you comfort, strength, and hope in the coming days. May the peace of the Lord be with you. God bless you all.*

“ There are no words to describe how sorry I am for your loss of such a sweet, fun, and wonderful girl. As her sorority sister, I remember talking to her going through recruitment and thinking, "We HAVE to get her here." Thankfully, we did, and alpha gamma delta gained another beautiful addition. I remember taking her out to frozen yogurt, hearing her talk about how much she loved her friends and family, and of course, her love of animals. She had that southern charm about her that is irreplaceable, and had a little country edge to such a sweet personality. She will never be forgotten! LIEP

“ My heart aches for the loss of Suzannah, a sweet sister of Alpha Gamma Delta who will be remembered for her kind heart and kind smile. I wish I had more time to get to know Suzannah and University of Kentucky will not truly be the same without her presence. She has made such an impact on our community in such a short amount of time, I know she was loved by so many. "To cultivate acquaintance with many whom I meet. To cherish friendships with but a chosen few and to study the perfecting of those friendships." Suzannah's sudden passing is a daily reminder that we must truly "Live with purpose." Her memory is to be celebrated and I am glad to have known her even for a short time. Fly high, sweet Suzannah.

“ I have such wonderful memories of Suzannah. Although she may not have known, she lit up every room she entered. I first met Suzannah at my parents house when I went to Georgia to see my sister Stephanie (Seay) graduate. She was so warm and caring. Although I am 18 years older than Stephanie, Suzannah was genuinely interested in talking to me and playing with my children. When "the girls" came to NY to visit I have fond memories of her hugging our cows and chasing my chickens! Once again she amazed me with her kindness and interest in playing with my kids. She put a lot of miles on those cowboy boots! I am so sorry you have to go though this. We are all praying for you. Suzannah will forever be remembered by my family and me.

“ Having known Suz my entire life, she became like a big sister to me she was always there for me and she means the world to me, and she always will. I will forever cherish the blessing of having her in my life and I will be forever grateful for all of the things she taught me. She always inspired me to be a better person and to find the good in people like I would want them to do for myself. Suzannah wasn't just some ordinary girl, she was beautiful inside and out, and she was the most selfless, giving, caring person I've ever known. She brought out the best in people, her smile would radiate anywhere she went. She's the kind of person that if anyone would try to speak badly of her, no one would believe it. Saying goodbye to her is something I can't do, but I'll see you another time is an easier way to accept it'll be a while until I see her gorgeous red hair, her contagious smile, and those red boots again. I love you Suz, I miss you more than words can express. Mr. John, Mrs. Stephanie, and Jess I am so sorry for your loss, thank you for gracing and blessing me enough to have known your daughter and sister, I love y'all so much.

“ John, Stephanie and Jessica: Our daughter Taylor was so very lucky and happy to have Suzannah as her roommate at UK. "Tay" truly loved Suzannah. Tay spoke highly of her often and how they would have late night talks and snacks. I had the extreme pleasure of meeting Suzannah a few times and every time I was greeted with the warmest, most genuine smile anyone could have. Our family shares your deepest grief, but are so thankful to have known her, even for the briefest time. What a great idea to celebrate her life as evidenced by all the above comments, Suzannah touched many many lives. We will miss her! Love, The Thamann Family

“ Stephanie, John and Jessica- I am so heartbroken for the loss of your daughter as is Tiffany. She was always smiling every time I saw her. She was always so giving and helpful. Such a joy to be around. Always so upbeat about life. She would light up a room with her smile. I had the joy of knowing Suzannah and watching the girls grow up. (Haley, Tiffany, Suzannah, Rachel, Emily and Amanda) When these girls were together they were such fun to be around! The girls had such a wonderful friendship that many only wish they had. I am keeping you and the family in my prayers. We love your family and are here if you need anything. We will never forget Suzannah. <3

“ John, Stephanie and Jess, Suzannah Piercy... where do I start? What a pleasure to have her as part of our lives through her friendship with our daughter Mandy. It's difficult to describe the energy levels that filled our home when Zannah, Mandy, Haley, Rachel and Emily were in the same space, all laughing, giggling, making faces, pulling pranks and the like. So it is without question that this is how I will forever remember Zannah. She called me "mama Mercedes," and always greeted me with the biggest smile and tight hug as her beautiful long red hair swung side to side. It was during those moments that I knew she was truly special, and was so thankful for the friendship she shared with "the girls." There are no words I can find to adequately express how sorry I am for your loss. Paul expressed in his condolence message exactly how we as a family loved and will miss her. I found this poem this morning and wanted to share it. They are not my words but that of an unknown author... "We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you. You did not go alone; for part of us went with you, the day God called you home. You left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side. Our family chain is broken and nothing seems the same; but as God calls us one by one, the chain will link again." God bless you and keep you, all our love.

“ Suzannah always brought light, love and happiness to all those she was around. I cherish the small part of her life I shared through the friendship my grandson, Tyler and Suzannah had since kindergarten at Newnan crossing. Time might separate them but their friendship always brought them together again. Suzannah has a special place in my heart. Thanks for sharing your beautiful daughter with us and so many people who are blessed to know her. I pray for God to wrap you in his love, comfort and peace now and forever. Linda McGee

“ Sometimes, the dust in the heavens coalesces into a bright shining star. Sometimes, those stars fall to this Earth. Suzannah Catherine Piercy was one such star. For 19 brief years we were all blessed with her light. It beamed forth not just from her smile or her beauty, but also from her loving spirit. As a friend to my daughter, she was like a daughter to me too. So many times I was graced with her presence, her smile and carefree attitude. She was a quality human being and I was glad that my Mandy had her for a friend. She was not just “good people,” she was one of the best. My heart aches and the world is darker, but I know Zanna’s light is still shining. It’s no longer here on Earth, but as you look up into the night sky, you will see her radiance, in the heavens from whence she came. John, Stephanie and Jess, I am so sorry for your loss.

“ Suzannah was always such a genuine person. I remember the first time we ever spoke her eyes lit up and seemed to sparkle when she talked about her passion for service work. There was such genuineness in the way she spoke about it which captivated me. She was always so full of life and surprises. Never did I hear her say anything but kind words about those around her. I will always remember her by the cowgirl boots she always had on and the way she called everyone darlin' with a southern charm that was unparalleled to anyone I have ever met.

“ Suzannah was in my AP Spanish class and because it was small we all became like family. She was a bright ray of sunshine and her love of the language and people carved out a special place in my heart. There are not enough words to convey what she meant to me nor to express the sorrow I feel for her family. I pray that God will bind your hearts together as you grieve her loss.
