

## Suzette E. Witty

January 22, 1966 - August 27, 2023

Mrs. Suzette Elaine Witty of Newnan passed away Sunday evening (August 27th, 2023) peacefully at her home. She was with close friends & family. Suzette fought cancer for almost a year and did it to the end on her terms every step of the way!

Suzette was born in Harvey, Illinois on January 22nd, 1966 to Peggy M. and Richard E. Rozwalka. She was preceded in death by both her mother and father, her brother, Edward Charles Rozwalka, as well as her daughter Jordan Michelle Witty. Suzette is survived by her husband, Samuel Baker Witty, her son, Samuel Jacob Witty, and her sister, Tricia Rozwalka Boyd.

While growing up in Marion, Kentucky, she attended Crittenden County High School. While in school she was a cheerleader and played the clarinet in band. Suzette graduated in 1984. When not attending school, Suzette worked at an insurance office and at the "88 Dip". After high school, she moved to Charleston, South Carolina where she worked as a beautician, assisted a CPA in accounting, and worked in sales at a jewelry shop and a cosmetic store. Her real calling was helping others. When she and Sam moved to Atlanta, Georgia for his job, she pursued becoming a Realtor and an Interior Decorator. Her need to help others kept her driven and she earned her Nurses degree from Gordon University. She was immediately hired at Piedmont Hospital and rapidly excelled in her new career. After running the 8th floor

(Med-Surg), she was asked to become an Over-house Supervisor and handled multiple floors at the new hospital with a vast array of responsibilities. She loved being a nurse caring for others and excelled at it. She performed in this position until her battle with cancer.

Suzette has requested no funeral service to be held, but rather a "Celebration of Life" event to be determined by her family at a later date.

In lieu of flowers, Suzette requested that memorial contributions be made to a Cancer Foundation of your choice. Condolences may be expressed to the family online at [www.mckoon.com](http://www.mckoon.com).

“ I worked with Suzette on the floor . Loved working with her she had a wonderful heart and would help anyone. She made a big impact on my husband when he was admitted to the 8 floor. I will miss her but know that she is watching over all of us.

“ I met Suzette once in her life and I will never forget her (or Sam). As soon as I met her I loved her. I'm sure she had the same effect on everyone. Just a genuine good person. I saw broken hearted to learn she had cancer and now has gone to be with her heavenly family.

I met Suzette and Sam when they found my wedding rings and so graciously gave them back to me. I was lucky that day that they were who found my rings I feel certain that many people would not returned them to me.

Rest in peace, my beautiful friend

“ *Sam, we are heartbroken to learn of Suzette's passing. She was such a bundle of energy and joy, and your love for each other was so evident. Our days in Charleston hold fond memories of boating together on the Ashley and Cooper Rivers, attending squadron functions, running into each other on the base as you guys sat on alert in Special Ops, and visiting each other in our homes.*

*I pray Suzette and Jordan are together in heaven basking in the light of God's love.*

*Our deepest and heartfelt condolences to you and Jake. May God hold you in his loving arms and help you through this tragedy and loss.*

*With love,

*“ I can smile thinking of all the days we worked together. Suzette was a special nurse and friend. We had a lot of fun working. I know Suzette would not want us to be sad. I know in my heart she was greeted with purple flowers and ran to Christ’s arms and she is well now and resting. I’m so sorry for your loss*

“ *After almost twenty-five years of friendship there are so many memories; game nights, carpooling while she attended school, watching her beloved Kentucky Wildcats games, date nights. Wish we had spent more time together but her love of helping people, being an advocate for her patients while working at the hospital kept her busy. She was a woman of so many talents. Suzette was like a second mom to my son. She was the cool fun mom. Suzette, you will be missed...I will miss you and you will always be in my heart, mind.*
