“ *David & Family -  
I was so sad and shocked to hear of Tammy's passing. I am so sorry for your loss and for your extended family especially her parents. I believe parents should never have to bury thier children. I will keep you all in my daily prayers and I wanted to say I have the fondest memories of Tammy from my pre-teen years she was always so sweet and kind to me whenever we saw one another. I rember her having the sweetest smile that could light up a room.I know she will be sorely missed by all who knew her and loved her. My Deepest Sympathy
