“ I first met Tania in the eighth grade at O P Evans, we had classes together and we ate lunch together every day. She was friendly outgoing and didn't meet a stranger. I'm so sorry to hear of her passing we were also friends on Facebook and I knew she had been in the hospital over the last couple of years but I had no idea she had brain cancer and lung cancer. I send my deepest condolences to her family and I will be praying for them in the days to come. You will be sadly missed by the class of 89 and Newnan High school. RIP Tania
