“ Just last night Jill and I were talking about you Tara and how awesome and beautiful you were. Jill told me tonight that when that was said the night before, she heard you in your own voice say, “Well, I still am! (awesome and beautiful) and as Jill told that story I swear I heard that contagious laugh of yours. That wonderful contagious laugh that I know no one will ever forget.

Lots of love to you Josh, Jennie, Renea, Cam, Jacob & Bekah and the rest of the family.

“ I met Tara while working together at insurance company. Her and Stephanie were so kind to this Northerner. She became a wonderful friend through Facebook and I loved pictures of the people and animals in her life. When I'd share pictures of my dog Murphy, she would post the cutest comments about him of how she wanted to squeeze him and love him up!!
My thoughts and prayer are with her family and friends in Georgia. Remember she will be those grandbabies Guardian angel. Any time you see them laughing, know Tara is with them.
Sincerely,
