“ I went to elementary and high school with Terry. I remember how she always greeted fellow students and teachers with such a ready and sincere beautiful smile, no matter what was going on at the time. I remember feeling the goodness and kindness within her even at a young age, and how she was so thoughtful of others. I will always remember her loving nature. My condolences to her family.

“ Terry was my "big sister" at St. Luke's back in 1970. She was a wonderful role model for all of us new student nurses. I graduated in 1973.
But even more history goes way back to the early days when she lived as a youngster in Shaftsbury, we were neighbors albeit a mile away. So many memories with the Hothfamily....both Fred and Stell.
 RIP Terry.
