“ *Sending our prayers, love and sincere condolences to y'all's entire family, her bus family and all who loved Mrs. Darlene. Most, if not all of my fondest childhood memories have this family in them. From my dad hanging out on the fence with Mr Windell, Mrs Francis, and Mr Charles to being coached by Mrs Melissa all those years and seeing Mrs Darlene at the ball field all ball season. And hanging out at Mr Charles' and Mrs Lysta's with Tiffany from elementary all the way through high school. You guys all hold a special place in my heart and I'm so very sorry for yalls loss. With much love, Brittney W Flowers*

Well Darlene. You are with your momma and daddy now. I know they were there at the gate waiting for you. You were my best friend. I loved you like a sister. We had some good times doing trips for the schools. I laughed at you whenever we went over a bridge because you were afraid of heights. You would slow way down and I would lose you for a minute. Even when we went on trips together during the summer, you still had a fear of the bridges. And Vence had a fear of heights, but I finally talked him into a helicopter ride in North Carolina. We had a lot of fun with all the trips, personal and work. I will probably be seeing you again soon, as my health isn't the greatest. I will always carry you in my heart. I love you, sis. ❤️

I've known Darlene and her family all of my life since I grew up in Sargent with them. I remember her playing softball when she was a teenager and I remember her and Melissa and their mom singing. Darlene had a great sense of humor and was always fun to be around. RIP Darlene. You are singing with your mama again.
