“ I cant believe what I have just heard! I am shocked beyond what words can say. I am stunned as I recall our last meeting at Christmas you seemed to be in a good place so proud of your beautiful daughter and her accomplishments and beaming about your grandson Aaron. I am finding it hard to wrap my head around this. We had so many talks and shed so many tears for our common pain (The senseless loss of our sons) I will never forget the day 5 years ago you showed up at my dor and the numerous times since we shared tears and asked why? You have left me asking that question again why you left your beautiful Nicole and Aaron whom you loved so much. I know how many times we talked about this very thing and I and you agreed we needed to stay here for our other children knowing that is what they would want us to do. Did your pain get to great did something happen to push you deeper. I am so saddened you were so lovely and such a special person. I will miss bumping into you and having a good cry with someone who knew my pain. I know you will be missed by many. Rest sweet angel give my Justin a kiss from his mommy and let him know I miss him more than words and will see him when my work here is done. Love Chris Jordan

“ For as long as I can remember, Teresa was always there. So much of my childhood was spent with my Mom and Teresa, we were always together and she felt like a second Mother to me. She was truly one of the most amazing, compassionate, beautiful, strong and loving women that I have ever known. I can remember all the times we spent together in my Mom's shop, Impressions, where my Mom first met Teresa, fun times at Colony Creek, and if we were not there, we were at Teresa's place or Six Flags... or the Atlanta Mart... or at my Grandparents...or just sitting somewhere in the sun. Since Brandon and I were so close in age, I don't remember Teresa being pregnant with him, but I do remember her finding out she was pregnant with Nichole. She was so happy to have a little girl! She was a beautiful Mommy-to-be and if there is one thing that stands out to me about her, it was how much she loved her babies. I cannot imagine life without her. I cannot imagine not seeing that sweet smile and hearing her "Hey Baby!" followed by a warm hug. She had such a calming effect and was such a true person. I will never forget vacations together and how she always made me laugh. She was truly the one thing that Mom and I missed the most when I moved away from Newnan. I do not remember a time in my life when she was not there and she was the kind of person that you could call in the middle of the night, 3 states away, broken down on the side of the road, and she would be there. She was so loved by so many people, a walking angel among us. She never judged, she never spoke badly of anyone, I don't remember her ever doing anything but loving those around her. If the world could learn to be just an ounce of the person Teresa was, it would be a better place. One of the best last memories that I have of her, was her coming down to visit Mom at the beach and all of us sitting on the porch and talking about the past. I will hold dear in my heart, the memories of her. Her presence in the lives of the people around her was a blessing in itself. No one should ever have to endure the pain and suffering that she did in her life. Nichole, there are no words that can express my sorrow for your loss, I cannot imagine your pain, I only wish in some way that I could ease your breaking heart. My Mom and I are here for you if you ever need to talk, scream, cry or

just breathe. Please know that we are here for you and Aaron. I pray you feel our prayers, Although there are miles between us, please know that we love you both so very much and that your Mom and brother are looking down on the two of you from Heaven and will always be with you. We love you, Sheron and Lacy

“*Mr. Acree,, I was devastated when I read in the paper about Teresa. She and I went to school from Kindergarten through high school and I remember her well. She was always upbeat and smiling and could make anyone laugh. I am glad I can call her my friend. Eventhough I lost touch with her, I can see in her picture that she never changed. My heart goes out to your family, her children and grandchild. My thoughts and prayers are with you. Denise Norred*

“ Teresa, Words can't express the sadness I feel of your passing. It's been many years since I saw you but I always considered you to be a friend. You had such an amazing smile and always laughing. I remember when Brandon and Nichole were born and I remember bouncing Nichole on my knee in the nursery at First Christian Church. You will be missed my friend. Rest in Peace. Nichole, Aaron, Kenny, Ms. Gladys and the rest of the family you are in my thoughts and prayers.

“ Nicole, I am so sorry for the loss of your mom. I spoke with her many times when we lost Brandon and know she was a great lady and loved her kids. I can't imagine how hard it is to lose you mom, I know you were so close. The only glimmer of hope and peace I see in this is her reunion with Brandon. What joy and emotion they must be experiencing together! My thoughts and prayers go out to you and your family. If theres anything I can do please let me know. God Bless!

“ Nichole and all of Teresa's family... I am so terribly sorry to read of Teresa's passing. She was so full of love and passion for her family that I could feel it any time I was near her. Nothing in the world gave her more joy and pride than her children and she would openly and enthusiastically share all the wonderful events and milestones in your lives at every visit. And she had a way of making me feel a part of her "hair" family too. Teresa worked hard to provide not only for her children, but to her hair clients as well. I always felt beautiful inside and out whenever I left her chair, especially with the smile she always put on my face as the finishing touch! My most sincere sympathy, prayers, and well-wishes are with you now. Please take good care of yourself. With love, from Lisa and Tiffany

“ Teresa, you were one of the most beautiful people I have ever met, inside and out. You always had an encouraging and kind word for everybody you ever came in contact with. And you were one of the best hairdressers ever, you made my hair look good again and always told me I was beautiful. I go by your house everyday and don't know if I will ever go by there without thinking of you. I know God welcomed you into His arms and am so glad God blessed me with your friendship. Ms. Gladys, Nichole and the whole family: I cannot even think of the right words to say, but know that you are constantly in my prayers and I will be there for any of you if you ever need me. May God wrap His loving arms around you and comfort you!

“ Mrs. Teresa ~ you were always such the person to light up a room. Just being in the same room with you brought an instant smile to my face!! I have pictures of you from my wedding almost 15 years ago ~ you playing around with Brandon's hat.
