

Teri Kay Winters

July 3, 1955 - October 20, 2021

Teri Kay Winters passed on peacefully at her home in Newnan, Georgia, Wednesday, October 20, 2021. Teri was born in Pampa, Texas on July 3, 1955.

Teri worked ten years for the MKT Railroad in Sherman, Texas, then later in Georgia obtained a bachelor's degree in Education and became a teacher. Teri also obtained a Master's degree in Deaf Education from Georgia State and spent many years with the State's Georgia Pines program as a parent advisor, working with infants with hearing and vision issues.

Teri met her beloved husband Brian Griffith Farrier in March 1989, after which they married on May 19, 1990. Teri loved the water, whether it was the beach or sunset cruises on the lake. She was especially fond of Lake Martin, St. Simon's Island and St. Joseph Peninsula State Park.

Teri was dearly loved and will be missed by all those whose lives she touched during her journey through this world. Her love for God and Jesus was very strong. Her Christian faith carried her, and those around her, through her courageous eight month battle with cancer.

Teri was preceded in passing by her parents Merle William Winters and Shirley Mae Winters, and her sister Debra Lynn Vick. She is survived by her nephew Todd Alan Thompson, his sons Kyle and Jared; her nephew Cory Dale Vick, his daughter Kayleigh, and her adopted nephews and niece Greg Thompson, Rogger Thompson, and Mya Thompson.

A celebration of Teri's life will take place on Wednesday, October 27, 2021 at

“ *What a beautiful spirit! As neighbors who became dear friends, we referred to our relationship as 'sisters from another Mother.' Even when she was ill, Teri gladdened the hearts of others with her deeds and actions. Her quick wit gave us abundant laughable opportunities over the 25+ years we were neighbors. Teri always knew exactly what to say to invoke a sense of hope when I shared stories of horrible days at work from a job I hated with colleagues who are unkind. It was those daily conversations that helped me survive that difficult period.*

Teri possessed equal amounts of grace and compassion for others as well as strength, independence and intellect. She was a soft-spoken, proud Texan; a loving and dear friend; devoted wife; a good and faithful servant; educator to hearing- and vision-impaired students and later a counselor to the families of hearing- and vision-impaired children; pet-owner with a beautifully-tended garden that invited nature and nature-lovers. Teri and her husband are the epitome of 'good people.' Teri gave far more than she received, without expecting anything in return. Teri meant so much, to so many and I loved her dearly. You will be forever missed, my dear friend.

Kathy, you and Claude said from the beginning that you would be with us all the way and truer words were never spoken. The love you had for Teri was a blessing to us and 4 PM will always remind me of your visits . As you know, I looked forward to your visits too so I could so I could perhaps get some gym time. But I knew how special your visits were when you and Teri looked at me with that look, "well, are you leaving yet or what'. Again, thank you so much for all the time, prayers, and love you showed Teri during the last eight months. God bless you and Claude. Love, Brian

This may not be the place for it but Teri's cousin visited this past summer, they live in Oklahoma but her husband said his uncle was a policeman in Houma for 25 years. His name was John Dixon and he passed on in the 1970s. Did you know him? Love ya, man and I still remember seeing Billy Joel with you back in the day! Brian
