

## Terra Sue Smith

July 14, 1964 - June 2, 2015

Terra Libbey Smith, 50, of Newnan passed away Tuesday, June 2, 2015 at Doctor's Hospice in Fayetteville. She was born July 14, 1964 in Oxnard, California to Elden Bonniger & Sue Corgill Bonniger.

Terra was an adventurous lady who liked a challenge which was evidenced by her several skydiving trips, even though she was terrified of flying. She was the best mother a child could ask for, she always went out of her way to make sure others had a good time. She had such a creative eye and there wasn't anything she couldn't do when she put her mind to it. When it came to holidays she always made holidays extra special. She even made Halloween costumes from scratch, making sure her children had great childhood memories. She was a talented woman, full of life, love and a sense of humor. She loved to laugh and pull jokes all the time. She lived life to the fullest. She was always so positive through her life. Terra attended Southcrest Church and was a Christian lady of strong faith. She worked in software sales and training with IronData and her magnetic personality made her friends with many people across her territory.

The memorial service is Friday, June 12, 2015 at 4 o'clock at Southcrest Church, 365 International Park, Newnan, with Pastor Tim Camp officiating. The family will greet friends at the church following the memorial service. Rather than cut or fresh flowers, the family respectfully requests live potted plants or memorial contributions to the Coweta County Special Olympics, P.O. Box 280, Newnan, GA 30264.

“ Terra was a joy to be around. She had such an uplifting spirit about her that was contagious and that was awesome. She and I talked a long while during one of her visits with me and from that conversation, we both concluded that individuals who know the Lord Jesus Christ as their Saviour possess the joy and peace within to weather all storms one must face. Terra has weathered the storm, she is now in the presence of the God and all of heavens people. I will miss her, but I also look forward to the day I will see her again and we all will rejoice.

“ Terra will be greatly missed. I always enjoyed her stopping by my office to visit. She always came into my office with a smile on her face, and she enjoyed just sitting and talking. I would always give her a piece of rubber tree plant or one that I had rooted, only for her to come back and say that It had died, and we would start over. . Every time I look at my rubber tree I will think of her.

“ I met Terra last year when she spent a few days training us on the Irondata program. Terra made us feel like we had been friends for life. She was so open about her cancer journeys, her strong faith in God's will and her love for her family. Her sense of humor and laughter made our training session very enjoyable. Heaven has received a special angel.
