“ I first met Terri when I started working at Turner Broadcasting. She
was so friendly and always checking in to make sure I was doing
OK. I can still hear her calling me "shorty" and laughing since we
were both about the same height. Terri continued to check in with
me even after she left Turner and I always enjoyed our talks. My
thoughts are with the family during this tragic time.

“ Terri and I were colleagues during the golden era of Turner
Broadcasting. Terri was a lovely soul. Smart, proactive, gracious,
results-oriented and diplomatic, not to mention pretty and petite.
She's with God now. Peace and prayers to her loved ones.

“ Teri lyn was my first cousin. I remember playing with her in back yard of our grandparents home near Grant Park in Atlanta, ga. After Fred and Gloria moved to Jacksonville, Fl we played lots of hide and seek in the house and beautiful yard of mutual close family friends the Dannenmillers. Visited when they lived in south Fl and swam in their large indoor pool which was screened in. First screened in pool I can remember seeing. Also went waterskiing in the bay behind their boat. Wonderful childhood memories with her and Greg. Even tho Terri was adopted she looked just like me and my sisters. Short with big brown eyes, brown hair with a bubbly personality. I will miss her.

Terri's Family - Terri was so kind and helpful when I worked with her 20 years ago. I was new to Turner and she welcomed me with open arms. I'm so sorry for your loss and thankful I had the opportunity to know her and work with her.
