

Tank T. Helton

April 9, 1954 - December 21, 2023

Terry "Tank" Helton age 69 of Newnan Georgia passed away on Thursday, December 21, 2023. Born April 9, 1954. Tank was a loving husband, father, grandfather, brother and friend. To Know Tank was to love him. He always had a smile and a helping hand. Tank touched the lives of so many and we are all better for having known him.

He was married to the love of his life Jenny Sue Cook Helton for 50 years. They had two children, Taylor Helton and Katie Hudson. Tank's pride and joy were his grandkids, Tuff, EllisAnn, and Tripp Hudson.

Tank was always proud to be a Western School Alumni. He worked at the Hood Station, Coweta Diaries, and Cooks Sanitation for many years before starting his career at the Coweta County Prison as a correctional officer. He then transferred to the road department where he was lovingly known as the road expert claiming to know exactly where every road in Coweta County is. He retired after 28 years and had achieved the status of Captain. After his retirement his next adventure in life was his most loved one yet, becoming a grandfather. His grandkids gave him the name Pink.

Tank enjoyed gardening and raising chickens. Sharing his produce and eggs with everyone he met brought him great joy. He was an avid rabbit hunter and thought it was important to teach younger generations. Tank wanted to be

remembered as a great father and grandfather but most of Coweta will remember him as "The Legend"

Tank is survived by his wife Jenny Sue Cook, children Taylor (Jill) Helton, and Katie (Jason) Hudson grandchildren Tuff, EllisAnn, and Tripp Hudson, brothers Jerry Lee (Renatha) Helton, Eddie Helton, Ted (Glenda) Helton, Johnny (Beverly) Helton. His mother-in-Law Libby Cook. His brother-in-law and sister-in-law are Johnny (Sonya) Cook, Alison (Travis) Herring, Matt (Jennifer) Cook, and Tracy Shoemake. Aunts Virginia Smith, Annette Coggin, and Uncle Randolph Taylor, his extended family Kyle, Lindsey, Walker, Mason, and Mikalee Gillespie, and numerous nieces, nephews, and cousins who adored their Uncle Tank / Pink and played a big part in his life. He is preceded in death by his mother Shirley Taylor Helton, Grandparents Bill and Ruth Taylor, Brother Tennis Helton Nephew Bruce Helton, Father-in-law Ellis Cook, and sister-in-law Jo Cook Bolton.

Flowers are appreciated but if you would like to do something in Tank's memory, Live your life to the fullest, be kind to a stranger, give a smile, tip the person at the drive-through window, help a friend, plant a garden, share your crops, and let your family know you love them every day. This is how Tank lived his everyday life.

His family would like to extend a great appreciation to Dr. Pitts and West Georgia Medical Center. The doctors, nurses, and other staff members have been amazing. Their treatment and care for our family has been the best.

The family will receive friends on Tuesday, December 26, 2023, from 4:00 PM until 8:00 PM at McKoon Funeral Home, 38 Jackson Street in Newnan.

Condolences may be expressed to the family online at www.mckoon.com.

“ I am your neighbor, Joe Butcher, and Tank and I have had several meaningful conversations on his trip down Midway Road picking up trash and talking to folks. I am truly sorry to hear about Tank, and like probably hundreds of people, will miss his smiling face and good neighborly conversation. I cannot make it to the visitation due to a recent bout with the flu, but I do want to share my good thoughts of Tank and his stories and memories. Tank and I retired from law enforcement (me, with the Atlanta Police Department) and spend many a day coming up with solutions to this world's problems and I am glad to say I enjoyed Tank's wisdom and good humor in all matters. Tell everyone in the Helton Family we miss Tank, and we are right down the road if you ever need any help. Thanks for sharing your Tank with the world and the only good thing about his passing is his new glorified body and lack of pain for eternity. Thanks, Y'all!

“ When I was 12 my Papa Taylor who was building a dog pen for my rabbit dogs, died suddenly and the pen was left unfinished. We were all shocked and grieving but Tank (14) his brothers, Jerry, Tennis and the rest all came over and finished my dog pen because they knew Papa would've wanted it that way. Through the years, some of us have passed away, moved away, live different lives, etc. but the love that my family had for me and that I had for them has never waned people like tank, and his brothers were an example of someone to be looked up to I'll never forget it as long as I live.

That means so much to me Dale. He loved his cousins and told many stories about your times together (some believable, some not so much 😊)

“ Matthew and I really enjoyed everything about tank. From the early morning breakfast at his house before rabbit hunting to just sitting in his shop telling lies at his old house. He was a joy to be around and will definitely be missed

“ RIP Tank.
Have great memories from my childhood of Tank when he and my dad, Joel Proctor worked at Coweta Dairies. Would often go to the dairy after school and hangout with Mr Chick and Tank in the plant part of the dairy.
Tank was a good man.
