“ Patrice, I am crushed to see that Terry has passed away! My heart hurts for you, your boys and grandchildren. I know how close the two of you were, not only from seeing you together but in listening to Terry speak of you. For so many years I enjoyed visiting with both you and Terry when each of you came in for a hair cut. I pray The Lord will give you and your family peace and strength in the difficult times ahead.

“ Terry and Patrice and family ..Please understand how saddened and shocked we are to hear the news of Terry's passing. So many great memories with Terry here at Delta. He was a very hard worker and could always be depended on. We worked side by side many a day together and I learned a lot from him. I would say one of my favorite co-workers from my 40 years here at Delta. He loved his family so much also. I Enjoyed the Daytona 500 trip we went on may years ago. We had plenty of laughs over the years. He will be missed by many.
