“ I really wish I could be there. I will be out of town. I'm so sad I will miss this. Thad was an amazing soul who had touched so many lives. I know he will be looking down on us all and protecting each and every one of us. I pray the Lord will watch over his Loved ones and help ease their pain through this difficult time.

“ Tammy -- I know I've said this so much in the last few days, but my heart breaks for you and your parents, Dallas, and the kids. Thad was always funny and a joy to be around. Love you all.

Dearest Elaine, Tom, Tammy and other family. I was so saddened to learn of Thad's accident. He was a very kind and loving soul. I can only find solace in the thought that he is with Uncle Benny, Uncle Mike, and Mama. May your faith in the Lord sustain you through this heartbreaking loss. I no longer have your phone number but Brandi has mine. I would love it if you would give me a call.
