“ Dear Mr. Loftin, It has been a long time since seeing her, but often enjoyed hearing her voice on the phone. No husband and wife ever loved and took care of each other better than you two. I am truly sorry for her passing and will miss her deeply. Also know that, in spite of your loss, you have so many that admire you and appreciate having known both you and Mrs Thelma - a list that certainly includes all of us and we hope that you'll call us for any need you may have! Sincerely, Zack Manos and Lee-Goodrum Phcy

“ Dear Janice & family, We are so sorry for the loss of your Mother and Grandmother. Mrs. Loftin was a sweet and loving person and we know she is enjoying her new home and life without pain and suffering in Heaven with Jesus. We know how all of you loved and took care of your Mother and even though the words may not have crossed her lips, each of you know that her thankfulness and Motherly love was for ever present. Please know that our prayers and love are with you during this trying time. Mr. Loftin, Please know that your life long love is in Heaven now with Jesus and is not in anymore pain. Mrs. Loftin is there doing what she knows and does best, preparing a home and gathering place for her loving family when each of you make the journey she has made. Remember that God had a very soft shoulder and He is there for you to share your sorrows and pain. Our prayers are with you. Clark & Eva Suttle

I can remember getting so excited as a little girl when I knew I was getting to go and visit with ya'll. You both have always held a special place in my heart and always will. I know that she will be dearly missed. You are all in my thoughts and prayers. May each one of you feel the hands of God holding you through this time of need. Love Susan

“ Dear Janice and Family, My thoughts and prayers are with you and your family at the loss of your Mother. I know you have loved her and taken care of her and done all the things a daughter would do for her Mother in her last days. Even though she may not have been able to express her thanks and her love to you, you know that she was grateful for all you have done for her now and in days passed. Love to you and your family, Dianne Jones
