“ I'm a just finding this now. I am her Grandson, Gavin She was a piece of heaven sent to earth. I can still see her giving us baths with our toys and the races down the hill and all of the flowers. Through all the pain she was in she still made sure that we were okay. My last memory of her was in september of 2014 it was my little brothers birthday and we all went to see a movie and it was so much fun she let us get whatever we wanted to eat and drink and we did. We got out of the movie and said I love you and goodbye. I just wish I could go back and give her one more hug, one more i love you, one more time to see her. Crazy how's it been almost 5 years without her and the memories are still fresh. I bet you are looking down right now over us and proud to see what me and my brother have become. I hope you have a huge garden up in heaven so we i come to see you its there. Fly High Grandma Love you forever and ever.

“ Our deepest condolences to Ed, Thomas & Family. Therese was a dear friend for 20+ yrs. We will treasure our memories of watching our boys on the soccer field together, LNO (ladies night out), and many get togethers while our boys played. My love of hummingbirds came from Therese. We would sit on the porch at her home and beautiful hummingbirds would be flying around. Therese was a strong woman and she fought cancer with dignity and grace. Fly high with the angels Therese, until we meet again.

“ Therese was our dear friend and neighbor for 20 years. We will miss her smiling face and dear friendship. She shared with Ed the love of gardening. We will miss not seeing her in the yard and through the trees. Every time we see a lovely flower, we will think of her. She fought to the end and now may she rest in peace.

“ I am so sorry to hear of this. My heartfelt sympathies to everyone who loved her. I hadn't the fortune of knowing Therese beyond being the much adored wife of Ed, my friend and former co-worker, who referred to her always as "his bride". Through Ed, I knew Therese as a beautiful, much deserving and loved woman who had an awesome strength of character. Every time I had the pleasure to meet Therese, it seemed she had recently suffered a painful episode from her illness; however she remained quietly defiant, continuing to smile and determined to move on. I can only imagine the sense of loss left by her passing. I wish her family and her friends strength and peace.
