“ *In memory of my "father" Thomas E. Crissey. Thomas was a loving "father" who had the biggest heart in the whole wide world for all of his children. I am selfish to regret his passing, but he is now without pain. He lives now in peace and in the hands of his creator. I thank all of the people who helped us through a very difficult time. I would also like to thank the United States Navy for the military service which was beyond beautiful, and a memory which I will cherish forever in my heart. Love and Peace to All.
