“ We will dearly miss Thomas. It's so sad that he wasn't able to enjoy a longer retirement. I have many fond memories of growing up with Thomas as my younger brother and with him as a young man. We greatly enjoyed our visits and time together when I came down from Canada with my wife and son. Thomas was such a devoted husband and father.

Thomas and I had discussed some retirement plans - having him come up to Canada to visit us in Prince Edward Island in the summer. It was on our shared bucket list to spend some time together sailing, catching tuna, playing golf and beach-walking at sunset.

We sincerely hope that Thomas' family will join us some summer to share these experiences and more. And of course, there will always be a place saved for Thomas.

Love & prayers to all,
Peter, Linda & Carter Dziuba
